**Procedures for Filing a Timely Response and
Information Regarding the Hearing on the Objection**

Contents. To facilitate a speedy and non-judicial resolution of a Claim subject to the Objection, any claimant filing a Response shall use its best efforts to include the following (at a minimum) in its filed Response, to the extent such materials are not attached to its proof of claim:

- a. a caption setting forth the name of the Bankruptcy Court, the name of the Debtors, the case number and the title of the Objection to which the Response is directed;
- b. the claimant's name and an explanation for the amount of the Claim;
- c. a concise statement, executed by (or identifying by name, address and telephone number) a person with personal knowledge of the relevant facts that support the Response, setting forth the reasons why the Bankruptcy Court should overrule the Objection as to the claimant's claim, including, without limitation (to the extent not set forth in its proof of claim), the

specific factual and legal bases upon which the claimant intends to rely in support of its Response and its underlying Claim;

- d. a copy of or identification of any other documentation or other evidence of the Claim, to the extent not already included with the Claim that the claimant presently intends to introduce into evidence in support of its Claim at the hearing; provided, however, that for a Response filed in support of a Claim arising out of a lease of real property, the Response need not attach such lease if the claimant indicates its willingness to provide such documentation upon request;
- e. a declaration of a person with personal knowledge of the relevant facts that support the Response;
- f. the claimant's address, telephone number and facsimile number and/or the name, address, telephone number and facsimile number of the claimant's attorney and/or designated representative to whom the attorneys for the Debtors should serve a reply to the Response, if any (collectively, the "Notice Address"). If a Response contains Notice Address that is different from the name and/or address listed on the Claim, the Notice Address will control and will become the service address for future service of papers with respect to all of the claimant's Claims listed in the Objection (including all Claims to be reduced or disallowed) and only for those Claims in the Objection; and
- g. to the extent such person differs from the person identified pursuant to subsection e, above, the name, address, telephone number, facsimile number, and electronic mail address of the representative of the claimant (which representative may be the claimant's counsel) party with authority to reconcile, settle or otherwise resolve the Objection on the claimant's behalf (collectively, the "Additional Addresses"). Unless the Additional Addresses are the same as the Notice Addresses, the Additional Address will not become the service address for future service of papers.

Additional Information. To facilitate a resolution of the Objection, your Response should also include the name, address, telephone number and facsimile number of the party with authority to reconcile, settle or otherwise resolve the Objection on the claimant's behalf. Unless the Additional Addresses are the same as the Notice Addresses, the Additional Addresses will not become the service address for future service of papers.

Failure to File Your Timely Response. If you fail to file and serve your Response on or before the Response Deadline in compliance with the procedures set forth in this Notice, the Liquidating Trust will present to the Bankruptcy Court an appropriate order granting the relief requested in the Objection without further notice to you.

Each Objection Is a Contested Matter. Each Claim subject to the Objection and the Response thereto shall constitute a separate contested matter as contemplated by Bankruptcy

Rule 9014, and any order entered by the Bankruptcy Court will be deemed a separate order with respect to such claim.

Additional Information

Requests for Information. You may also obtain a copy of the Objection or related documents on the internet, by accessing the website of www.kccllc.net/circuitcity.

Reservation of Rights. Nothing in this Notice or the Objection constitutes a waiver of the Debtors' and/or the Trust's right to assert any claims, counterclaims, rights of offset or recoupment, preference actions, fraudulent-transfer actions or any other claims against you by the Liquidating Trust. Unless the Bankruptcy Court allows your Claims or specifically orders otherwise, the Liquidating Trust has the right to object on any grounds to the Claims (or to any other Claims or causes of action you may have filed or that have been scheduled by the Debtors) at a later date on any grounds or bases. In such event, you will receive a separate notice of any such objections.

OBJECTIONS TO CLAIMS

21. By this Objection, the Liquidating Trust seeks entry of an order, in substantially the form attached hereto as Exhibit A, pursuant to Bankruptcy Code sections 105(a), 502 and 503, Bankruptcy Rule 3007 and Local Bankruptcy Rule 3007-1, disallowing each of the claims identified on Exhibit B attached hereto (the "Claims").

22. The basis for disallowance of the Claims listed on Exhibit B attached hereto is that all of the Claims assert, in their entirety, amounts for which the Debtors are not liable.

23. Specifically, Exhibit C identifies Claims that are invalid based on the Debtors' books and records. After a review of the Claims and the bases upon which each is asserted, and a review of the Debtors' books and records, the Liquidating Trust has determined that the Claims are liabilities for which the Debtors dispute any liability based on, *inter alia*, (i)

variances in pricing, rates or quantities of merchandise provided, (ii) existing credits or deposits, (iii) liabilities already satisfied, and (iv) lack of contractual relationship with the Debtors.

Accordingly, the Liquidating Trust requests that the Claims identified on Exhibit C be disallowed for the reasons stated therein.

RESERVATION OF RIGHTS

24. The Liquidating Trust reserves the right to further object to any and all claims, whether or not the subject of this Objection, for allowance and/or distribution purposes, and on any other grounds. Furthermore, the Liquidating Trust reserves the right to modify, supplement and/or amend this Objection as it pertains to any Claim or Claimant herein.

NOTICE AND PROCEDURE

25. Notice of this Objection has been provided to all Claimants with Claims that are the subject to this Objection as identified on Exhibit B and to parties-in-interest in accordance with the Court's Supplemental Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management and Administrative Procedures (entered on December 30, 2009 at Docket No. 6208) (the "Case Management Order"). The Liquidating Trust submits that the following methods of service upon the Claimants should be deemed by the Court to constitute due and sufficient service of this Objection: (a) service in accordance with Federal Rule of Bankruptcy Procedure 7004 and the applicable provisions of Federal Rule of Civil Procedure 4; (b) to the extent counsel for a Claimant is not known to the Liquidating Trust, by first class mail, postage prepaid, on the signatory of the Claimant's proof of claim form or other representative identified in the proof of claim form or any attachment thereto; or (c) by first class mail, postage prepaid, on any counsel that has appeared on the Claimant's behalf in the

Debtors' bankruptcy cases. The Liquidating Trust is serving the Claimant with this Objection and the exhibit on which the Claimant's claim is listed.

26. To the extent any Claimant timely files and properly serves a response to this Objection by **4:00 P.M. (Eastern) on May 3, 2012** as required by the Case Management Order and under applicable law, and the parties are unable to otherwise resolve the Objection, the Liquidating Trust requests that the Court conduct a status conference² with respect to any such responding claimant at **2:00 P.M. (Eastern) on May 10, 2012** and thereafter schedule the matter for a future hearing as to the merits of such claim. However, to the extent any Claimant fails to timely file and properly serve a response to this Objection as required by the Case Management Order and applicable law, the Liquidating Trust requests that the Court enter an order, substantially in the form attached hereto as Exhibit A, disallowing each of the claims identified on Exhibit B attached hereto.

**COMPLIANCE WITH BANKRUPTCY RULE 3007 AND
THE OMNIBUS OBJECTION PROCEDURES ORDER**

27. This Objection complies with Bankruptcy Rule 3007(e). Additionally, the Liquidating Trust submits that this Objection is filed in accordance with the Omnibus Objection Procedures Order.

WAIVER OF MEMORANDUM OF LAW

28. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in the Motion, the Liquidating Trust requests that the requirement that all motions be accompanied by a written memorandum of law be waived.

² In accordance with the Omnibus Objection Procedures Order, Claimants who timely respond to the Objection do not need to appear at the status conference.

NO PRIOR RELIEF

29. No previous request for the relief sought herein has been made to this Court or any other court.

WHEREFORE, the Liquidating Trust respectfully requests that the Court enter an Order sustaining this Objection and granting such other and further relief as the Court deems appropriate.
